Subject: Fwd: For our investigators meeting today
Attachments: GenX summary stats with NHANES, TTC and Fels.xlsx; serum results update for investigators.docx

Some information to think about for our call today. We'll discuss this, but in case you want a preview during your lunch!

Jane

Jane,

I added the Time to Conceive and Fels statistics to your table.

I updated the outline of results.

I'm going to tally now to pick up the poster. If for some reason I'm running late, please start without me.

Nadine
